The Annual International Exhibition is a juried visual art competition organized by the Department of Art and Art History at The University of Texas at Tyler. Internationally known artists, curators, and scholars have served as jurors selecting works for exhibition created by some of the best contemporary artists working today.

JUROR Christina Rees (Glasstire's Editor-in-Chief). Christina served as an editor at The Met and D Magazine, as the full-time art columnist at the Dallas Observer, and has contributed art, film, and music criticism to the Village Voice, the Dallas Morning News, the Fort Worth Star-Telegram, and other publications. Rees was the owner and director of Road Agent gallery in Dallas for three years before serving as curator of Fort Worth Contemporary Arts from 2009 to 2013.
